

February 1, 2005

Gentlemen,

Greetings from 940 College Ave. I hope everyone is having a great new year. Everything at The House is off to a great start. I would like to mention the addition of a new pledge class of 16 activated at the beginning of the semester. This brings the total number of actives in the chapter to 50.

Last semester was a very busy time for the Men of Phi Sig. We started off the year with homecoming. Preparing for homecoming by ourselves was quite a task. Overall we came home with a few awards from the homecoming ceremony: Overall Best Parade, Best Clown Heads and Pomp Clowns. We worked hard this year and we are going to work even harder next year and bring Northwest Homecoming Supremacy back to 940.

In the area of academics, we have come out on top. Our first semester grade point average was 2.77. This is better than the all male average and is also the highest GPA of any fraternity on campus.

If you've visited the house in the past couple of years, you have seen the brick wall we are constructing by the front entrance. This is a way for us to remember people who have helped further our chapter. Currently we have 2 sections of the wall completed and we're trying to expand it as far as we can. If you are interested in having your name placed on a commemorative brick, the price is \$50. All checks should be mailed to The House and checks made out to "Phi Sigma Kappa". If you have any questions feel free to e-mail me or give the house a call. To all Alumni whom have donated: We appreciate your support and you will always be remembered at 940 College Ave.

As always if you ever have any questions or just want to say hi, feel free to call The House or stop by. It's always great when Alumni drop in and share the memories of their time here at Northwest. Thank you all so much for your continued support over the years.

"Once a Phi Sig, always a Phi Sig."

Sincerely Yours,

Chris Hanson
